A photograph of a beach at sunset. The sky is filled with warm, orange and red hues, transitioning into darker blues and purples. The ocean is visible in the background, with small waves breaking. In the foreground, a sandy beach slopes down to the water. Two small figures of people are walking along the beach, appearing as dark silhouettes against the bright sky. The overall atmosphere is peaceful and scenic.

Everyone remembers when we all dreaded class
Half of us would fall asleep, half would get a pass
After class we would talk to our friends in the halls
And would continue to do so even when the bell calls
But we were all here for a reason, and it was our choice to learn
And all of this will stay with us now that school has adjourned
But when we are older and look upon our reflections
Everyone will have their own lasting impressions...

If today I die, and cannot deny, the life that I live, for what I say now, will befit, myself, in time. No time to die, nor to live, no structure of a pyramid, nor trained horses to arise, surmise my position. My words define me as a surgically proficient baker, a baker who now lies still, for assuming these words were my last words, I would say absolutely nil.

The tennis team finished the season with a 10-10 record and again qualified for the State Tournament. Junior Christine Peterson, one of the best players on Cape Cod, led the team. Junior Amy Robinson played second singles for Harwich and had her best season. Freshman Ashley Stevens, a tremendous prospect, played the third singles spot. Our veteran first doubles team consisted of Allie White and Kate Metzger. The girls came into their own this season. Second doubles players were Erica Widegren, Shelby Miller- Sylvia and Liz Dickinson. With the entire team returning in this spring the future of Harwich girls tennis is very bright.

SETTING SAIL

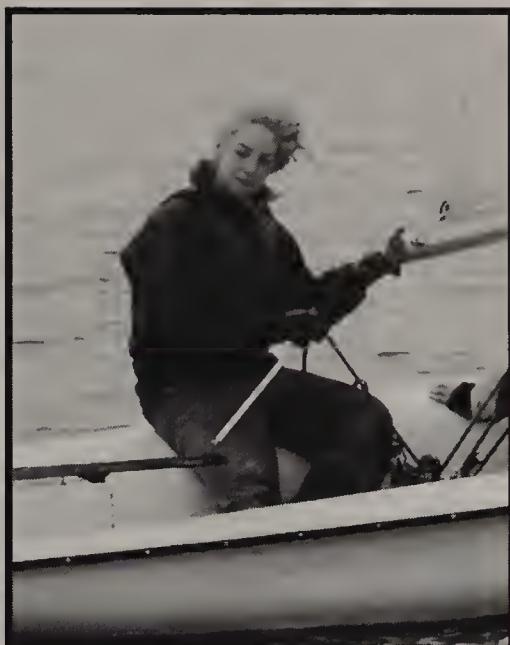

The Harwich High School Sailing Team completed a successful 2003 season. Led by Captain Neil Donovan, the team finished 3-11 and competed well at the New England qualifiers and the Cape and Islands Invitational. While it was a building year, the team improved a lot and had a great season of fun and camaraderie at our new facility at Stone Horse Yacht Club on Wychmere Harbor. This allowed for some exciting windy days in the harbor as well as our usual days outside. A highlight was a strong win in the harbor against highly-ranked Martha's Vineyard. This year, led by Captain Jim Adams, we figure to improve on last year's record as we compete in the tough Cape and Islands league.

In only two years in the South Shore League, one of the best softball leagues in the state, the Lady Rough Riders finished league play in a commendable second place. Their success did not end with league play. In the state tournament, they advanced to the South Sectional Semi-Finals.

These accomplishments were even more significant because the team had only twelve players, started three freshmen and played a third of their season without their only senior and only team pitcher, Nicole Leete. Nicole, co-captain and former all-star, had been injured in a midseason contest. The young team rallied around, junior, Kate Robbins, who, without any previous pitching experience, won five games.

Two players, Nikki Gomes and Kristy LaFortune, finished the season as two of the top six hitters in the state. Nikki's 9 homeruns helped her finish second in the state. Also receiving honors, were co-captain, Sharee DaLuze as league all-star centerfielder and Nikki Gomes as league all-star catcher. The 2003 Season will be remembered as one with unpredictable struggles and inspirational successes.

The track and field team is dedicated to individual improvement. While supporting teammates, each athlete focuses on furthering his distances and shortening his times. We take a special pride in developing the multi-event athlete and encourage each athlete to try different events. Last year (2003) the team earned school records in the 4 x 400m and 4 x 800m! Tri-Captains Paul Laffin, Sam Steen and Brian Stines will lead the way in breaking those records again this year.

The Harwich High Girls' Soccer Team completed a successful season with a much-improved team. Behind the leadership of Captains Alexandra White, Danielle Pitera, Ashley Taylor, and Heather Mallory, the team worked hard to rise to a higher level to compete in the difficult South Shore League. The team played a lot of close league games against tournament teams. The highlights included two wins against Provincetown, and two wins against rival Chatham, especially the come-from-behind, 3-2 win at Chatham. Pitera was named a South Shore League All-Star. Congratulations to seniors White, Pitera, and Courtney Chin for their outstanding careers at HHS. They will be missed, but a talented group of juniors and a large group of underclassmen will make next year even more successful.

The 2003 Rough Rider Soccer team proved to be very successful despite a 5-12-1 record. We began our season with key wins over Nantucket and Abington but ran into very tough competition in our league with Norwell, Carver and Cohasset; senior clubs having outstanding talent. Much credit goes to our seniors for demanding quality in effort and commitment in practices throughout the season. Regardless of the record, these seniors played with heart and intensity and left it all on the field. Because of their excellent role model as leaders, the young Rough Rider Soccer program will be very competitive next year.

The seniors have had the experience of team of 2002 and played a major role in 2003.

Our Sophomores are the leaders of our depended on this year. We also had one. Many thanks to our junior varsity coach, Glenn and Shelby Miller-Sylvia and our manager Mike Kalil.

2003 Field Hockey

The 2003 South Sectional Championship Game marked the end of an unprecedented era in Harwich Field Hockey. Eight seniors, Kaitlin Belli, Christine Peterson, Kate Robbins, Nichole Gomes, Marnie Rowe, Sarah Smith, Jayne Vagenas, and Pammy Zabielski, had just played their last game; a game that will be remembered by many field hockey enthusiasts as one of the best in tournament history. They had also just completed four years as UNDEFEATED LEAGUE CHAMPIONS, one year as the South Sectional Champions, and three years as South Sectional Finalists. In addition to their team achievements, their wins were instrumental in helping Coach Cheryl Poore join the exclusive 500 Club.

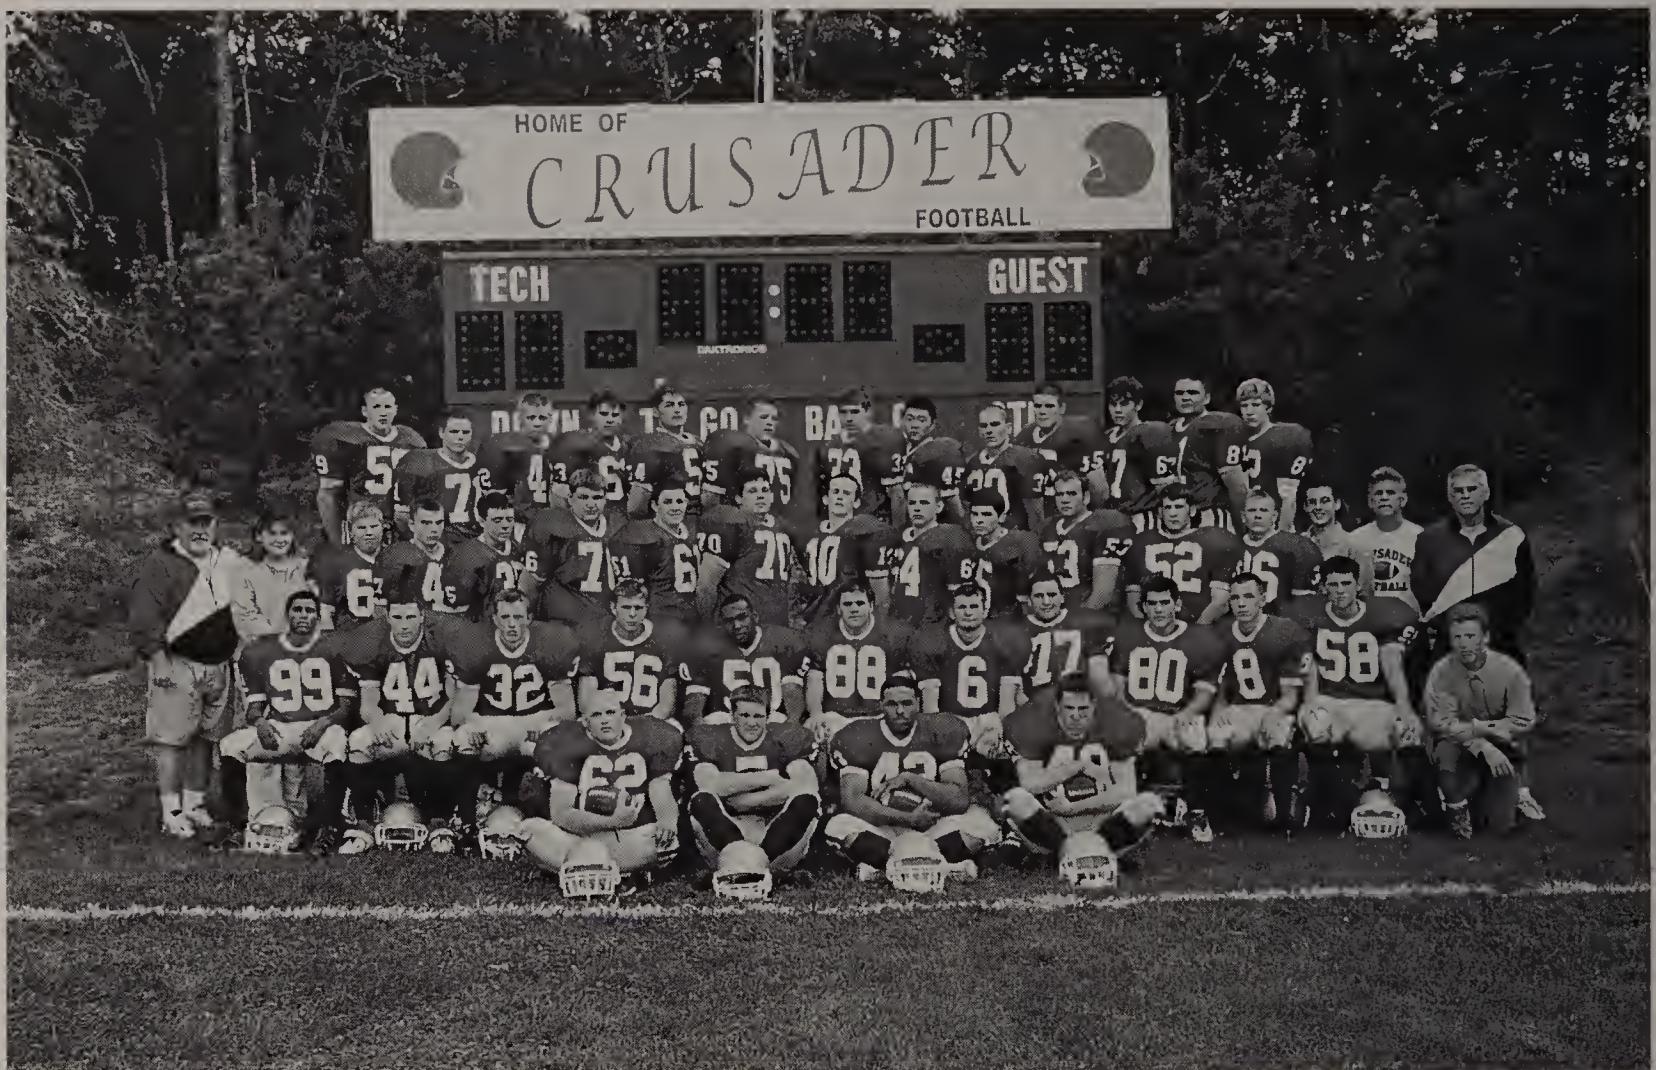

Three exceptional juniors, Erika Hedmark, Jane Kelleher, and Lindsay Ryder, and five talented sophomores, Jess Crowell, Amanda Gonsalves, Kristy LaFortune, Emily Robinson, and Sarah Swanfeldt added speed, scoring finesse, and defensive expertise to the team.

Also unprecedented, was the selection of six players to the South Shore League All-Star squad. They were: Jane Kelleher, Kristy LaFortune, Kate Robbins, Marnie Rowe, Jayne Vagenas and Pam Zabielski.

The 2003 Team finishes with a 20-1-1 record, an Undefeated League Championship and a South Sectional Finalist Qualification. Mostly, they will be remembered by their coaches, parents, and fans as the **“BEST FIELD HOCKEY TEAM IN THE STATE in 2003!”**

Initially, there were a lot of questions about this year. Significant graduation from 2002-2003 year resulted in concerns. Who was going to step up and fill the holes? The team took its lumps early, losing 3 of its first 6 games and being shut out each time. Slowly positive signs began to surface. Effort was there, but execution was poor. Defense stabilized, forwards began scoring, goaltending settled down, and the captains (Tom Mason, Sean Davis, and Erik Hnis) led the charge. Over the last 8 games, the team is 5 wins, 2 losses and 1 tie and is sitting 1 point out of the tournament with 2 games remaining. Victories over Wareham and Norwell are highlights within that stretch. We lost to both of those teams the first time earlier in the year. We seem to be peaking at the right time. The team is working very hard and having fun, just the way it is supposed to be!

“ 2003 ”

The 2002-2003 Lady Rough Rider Basketball team had a once-in-a-lifetime experience by winning the MIAA D-IV State Tournament in the Fleet Center, beating Savio Prep, 55-52. It was one of the most exciting games in our programs long history. That game completed a very successful 17-8 season, a season where we finished 4th in our very tough South Shore League at 7-5 and an overall record of 12-8. It was the state tournament where we caught fire with a huge win over Ursilne 70-56 and an overtime victory to win the South Sectional Finals over Marion, 69-65 that put us in the Fleet Center.

The team was led by our two senior captains, Regina Legge, a four year player and the Coach's Award recipient, and Mandie Tune, our most improved player, and a very talented junior class. Sharee DaLuze, Capt. "03-04", led the juniors as our league all-star, Cape Cod all star, and Globe All-Scholastic, Kate Robbins, Capt. "03-04", a league all star and a Cape Cod Times all star, Jayne Vagenas, Capt. "03-04", a league all star and Cape Cod all star, Nichole Gomes, Danielle Nixon, Heather Pratt, and Amy Robinson. We had two very talented sophomores, Dee Miller and Jane Kelleher. Our very talented freshman, Amanda Gonsalves was our "Rookie of the Year". Many thanks to the entire team and our excellent coaching staff, Elizabeth Doherty, Glen Gonsalves, to our Junior Varsity coach Angelina Chilaka, managers Jackie Farragher, Jill O'Loughlin, and Missy Romano, and to our Jen Legge and Danette Gonsalves as general managers.

With all but our two seniors returning, we are looking forward to a very successful season in 2003-2004, our sights being set on the South Shore League Championship.

ATHLETES OF THE WEEK BY ERIC ADLER

THE HARWICH GIRLS BASKETBALL TEAM

by Eric Adler

How do you pick just one athlete of the week this particular week? The simple answer is you don't. Not with the way every one of the Harwich girls basketball players have played throughout this state title tournament run.

Friday's thrilling 69-65 overtime victory over Marian at Stonehill College help the team win the South Sectional Championship, only the program's second-ever South title after they did it in 1999. And the culmination of the Rough Riders' extraordinary

season was capped Tuesday when the team held off Savio Preparatory Academy, 55-52, to win the Division Four State Championship, the program's first-ever state title.

Congratulations to head coach Fred Thacher, assistant coaches Bess Doherty, Glenn Gonsalves, Angelina Chilaka, and players Gina Legge, Kate Robbins, Mandie Sue Tunc, Sharee Dalzue, Nichole Gomes, Heather Pratt, Danielle Nixon, Dee Miller, Amanda Gonsalves, Jane Kelliher, Jayne Vagenas and Amy Robinson.
